

CURRICULAM VITAE

Inayat Ullah (Mr.)

PERSONAL INFORMATION

Father's Name: Habibullah

Date of Birth: 7th Sep. 1984

CNIC #: 51201-5976793-1

District: Kalat (Balochistan)

Marital Status: Single

Cell #: +92-331-8300781

Phone #: +92-81-9211285

Email: geoinayat_cem@yahoo.com
geoinayat.cem78@gmail.com

Postal Address: Centre of Excellence
in Mineralogy, University
of Baluchistan, Quetta.

Permanent Address: Mohala Giawan
Kalat, District
Kalat, Balochistan.

PROFILE

An intelligent, diligent and qualified individual with institutional standard work experiences. Devoted and dedicated towards his job. Charming personality, pleasing manners, and polished moral character. Quick learner, capable of working in individual as well as group situation.

CAREER OBJECTIVE

I am a young Individual and like the challenging jobs to accomplish with excellence by leading an efficient teamwork even in a high-pressure environment. May I could utilize my efforts in field of Research, teaching and scientific investigations and to contribute positively towards the objective of the organization to the best of my capabilities and also to develop my professional skill.

WORKING EXPERIENCE/ KEY RESPONSIBILITIES

Recently, I am working as a Lecturer Cum Research Associate in Centre of Excellence in Mineralogy, University of Balochistan, Quetta. The key responsibilities of my job are following;

- Conducting research and lecture programs.
- Field and research investigations for Mineral Industry in Balochistan province.
- Developing different types of maps for research interest in field of tectonics, structure, and on mineral sector.
- Taking classes of different subjects in Department of Geology, University of Balochistan as a Visiting Faculty Member from 2010 to date. I am teaching different subjects i.e Reservoir geology, Geology of Pakistan, Petrology and Mineralogy.
- I am also part of supervisory staff in field work for M.Sc and B.S 4 Years Applied Geology.

EDUCATION

M.Phil(1st Division) **2010-2011 University of Balochistan, Quetta. On**
“MODE OF OCCURRENCE AND ECONOMIC
POTENTIAL OF MAGNESITE DEPOSITS, NISAI
AREA MUSLIM BAGH BALOCHISTAN”

B.S (Applied Geology) (1st Division) **2008 University of Balochistan Quetta.**

Major Subjects.

Petroleum Geology
Geology of Pakistan
Sequence Stratigraphy
Organic Geochemistry
Field work and thesis (Geology of the area near Spin
Tangi Old Kuch, District Quetta.)

FSc: (2nd Division) **2003 Balochistan Board of Intermediate &**
Secondary Education Quetta.

Matric: (2nd Division) **2001 Balochistan Board of Intermediate &**
Secondary Education Quetta.

M.PHIL FIELD REPORT/THESIS

My M.Phil thesis is on, “**Mode of occurrence and economic potential of magnesite deposits, Nisai area Muslim Bagh Balochistan**”. For this purpose I have done exclusive four weeks geological research field work in the Muslim Bagh Ophiolite and collected minerals and rock samples for further lab studies. Here I have visited the complete body of Muslim Bagh Ophiolite.

B.S 4 YEARS APPLIED GEOLOGY FIELD REPORT/THESIS

B.S CLASS	TOPIC AND SPECIALITY
B.S 4th Year	Topic: Geology of the area near Spin Tangi in Old Kach, District Quetta, Balochistan.

	Speciality: Geological Mapping, Structural Geology, Facies Analysis and Measured sections.
B.S 3rd Year	Topic: Geology of the area near Spin Lake and Surrounding of Wacha Dara Nala, District Quetta, Balochistan. Speciality: Geological Mapping, Structural Geology
B.S 2nd Year	Topic: Field report for different areas of Quetta Syntaxis and Sulaiman Belt. Speciality: Lithostratigraphy and Bisostratigraphy.

STRENGTHS

- Technical Report writing
- Geological Mapping.
- GIS.
- Monitoring and Evaluation.
- Excellent Recording and Reporting Skills.
- Presentation Skills.
- Communication Skills.
- Analytical Skills.
- Writing Skills.

ATTENDED WORKSHOPS AND TRAINING RECIEVED

- Attended three days Annual Technical Conference 2014, Islamabad, held from 23rd Nov, 2014 to, 25th Nov 2014, at Pak-China Center, Islamabad. One day field visit of Kirana Hills and surroundings
- Participated in Training on “CASCADING” (By FTDC, U.o.B, Quetta).
- Participated in Training on, “ LATEX FOR ALL” (By FTDC, U.o.B, Quetta)
- Participated in Training on “Disaster Risk Management” (By UNDP/ U.o.B , Quetta).
- Attended three days Annual Technical Conference 2011, Islamabad, held at Serena Hotel, Islamabad.
- Participated in Training On” Gems Identification”
- Attended three days Annual Technical Conference 2005, Islamabad, held from 28th November to 1st December 2005 in Mariton, Hotel, Islamabad.
- Participated in Training On” Microfossils Study” (By Geology Department, U.o.B , Quetta.)
- Participated in Training on “ Biostratigraphy and Depositional Environments

- of Sedimentary Rocks with Special Reference to Balochistan By UOB, Quetta.
- Participated in Training on Ore Microscopy by UOB, Quetta.

FIELD VISITS IN DIFFERENT PARTS OF COUNTRY AND BALOCHISTAN

- I have part of different Geological Field Work as a Supervisor or Co-Supervisor for students of M.Sc and B.S Classes. The visited field areas of different part of Balochistan are Sulaiman Fold and Thrust Belt, Muslim Bagh Ophiolite Complex, Chaghi Magmatic arc and Noshki Chamman Fault.
- One day field visit of Kirana Hills of Sargodha Range and Balkasar Oil Field.
- Three days field visit of Salt Range and exclusive studies for paleontology, biostratigraphy and structural geology of different formations, which are present in Salt Range area.
- Three days field visit on Dalbandin, Noshki, Chaghi Belt, Kalat Division and installed GPS on different locations to monitor the strike slip rate of Noshki Chamman Transform Fault.
- Two days field visit of New Born Mud Volcanoe Near Chundergup, District Lasbella, Balochistan, and submitted an exclusive report in University of Balochistan, Quetta.

COMPUTER SKILLS

- MS Office
- MS Excel
- MS Power Point
- MS Access
- Corel Draw
- GIS and other softwares which are related to Geology
- Installation
